**Col. Harvey Departs From Washington As Debt Commission Goes**

WASHINGTON, Jan. 19.—Ambassador Harvey, who has been a guest at the White House since January 2, left today for New York. Although no definite statement was made, it was indicated that he might return to Washington some time next week before leaving for his London post.

The departure of Mr. Harvey coincided with that of the British debt commission which left Washington during the day, adding emphasis to the belief that the Ambassador's visit to Washington was occasioned primarily by the debt negotiations. During his stay here, however, he had discussed European questions with Secretary Hughes and members of the Senate foreign relations committee while his advice is understood to have been valued by President Harding in connection with the European reparations complications.

COLUMBUS, Jan. 19.—The Ohio Chiropractic Association through its officers, George D. Meeker, Paul H. Straud and D. A. Williams, made an unsuccessful attempt here today to stop the prosecution of unlicensed chiropractors in the state by the state medical board.

The chiropractors appealed to the state supreme court to issue a restraining order against the medical board which has already caused the arrest of nearly 100 unlicensed chiropractors, but this was refused late today by the court.

# Can France Force Germany To Pay?

The sudden withdrawal of the last thousand of the American soldiers from the Rhine is interpreted by many Washington correspondents and editorial observers as an emphatic protest on the part of the United States Government against France's invasion of the Ruhr Basin and seizure of "productive guaranties" for the payment of Germany's reparations debt. This attitude on the part of official Washington, it is generally agreed, is due neither to sympathy for Germany nor lack of it for France, but to a conviction that the seizure of guaranties will not solve the reparations problem, and that it opens the door to a host of disastrous possibilities, chief among which is another world war.

Many American papers, on the other hand, wholeheartedly applaud France's resorting to a show of force, "the only language that Germany understands", and they predict that her course will be fully justified by the results. The German-language press in the United States is pessimistic. "In taking from Germany her richest industrial district the French will deprive themselves of the last chance to get any further reparations," declares the Philadelphia Tazehblatt, which thinks that the results of the Ruhr invasion will amount to "French suicide as well as unspeakable misery and chaos for Germany, and possibly civil war in the Reich." Other German-language papers express similar convictions.

THE LITERARY DIGEST this week, January 20th, presents a sweeping survey of the criticism from all quarters upon the present acute situation involving France and Germany and, in fact, the entire world. Other news-features of very deep interest in this week's DIGEST are:—

**Two Held In Death Of Pretty Dancer**

SAN DIEGO, Cal., Jan. 19.—Two men were under arrest in southern California today pending further inquiry into the death of Miss Fritzle Mann, pretty dancer, whose partially clad body was found on the beach at Torrey Pines, near La Jolla, Monday.

Roger V. Clark, motion picture actor and assistant director was taken into custody by Los Angeles police today upon advice of San Diego authorities and is held for the arrival of local detectives, who declared today that the arrest followed "important developments." With Clark, the Los Angeles police are holding his blood-stained car, taken with a mutilated license plate, broken dash glass, and evidence of attempts to clean blood spots from the rear seat and running board.

**Doctor Under Arrest**

A second man held for questioning in connection with the young woman's death is Dr. L. L. Jacobs, civilian physician at Camp Kearney, whose connection with the inquiry has not been made known by the police. That he was examined for more than two hours this afternoon before his arrest, however, is admitted by Chief Patrick.

A cottage at La Jolla, at which Miss Mann and a male escort stopped Sunday night was located by investigators today, and the owner later identified the body of the woman. The cottage was rented by a man registered as W. Johnston and wife, Los Angeles. Articles of clothing, identified by the girl's mother as belonging to Miss Mann, were found in the cottage.

**Statement Is Denied**

Clark is said to have told Los Angeles police he spent Sunday evening in Mr. and Mrs. Al Flowers' home here. Flowers said today, Clark's statement that he spent Sunday night with Mrs. Flowers and myself is absolutely false.

Clark said he was at the Flowers' home up to about one o'clock a. m. Monday the hour at which Miss Mann is assumed to have been slain.

Chief efforts of the investigators were centered today in tracing the movement of a mysterious automobile seen in the vicinity of Torrey Pines late Sunday night.

Detectives declare that Miss Mann's vanity case, satchel and other belongings were strewn along the state highway from the car after the body had been left on the beach.

Clark told the police today that he met Miss Mann in San Diego in September and became quite well acquainted with her, having been in

**Where Do Jokes Originate?**

Some one has said that there are only seven original jokes in the world. If this is so, what a vast amount of thought must be expended in furnishing mirth-loving America with material. First and foremost among those who keep the public good natured are the newspaper "Wits" and what is known as typical American humor must be based upon their efforts. The best jokes, the cleverest epigrams, the most humorous incidents as they are printed in the press of the world are eagerly scanned each week by The Literary Digest editors and a selection of them presented upon the screen in motion-picture theaters under the heading "Fun From the Press." This new short reel creates unbounded laughter wherever it is shown. Many hundreds of theaters have booked it and we would suggest that you attend the theater in your locality where "Fun From the Press" is advertised and you will enjoy good entertainment. It is produced by The Literary Digest and distributed to theaters by W. W. Hodgkinson Corporation.

**Wildest Rioting In History Of French Parliament Staged**

PARIS, Jan. 19.—(By the Associated Press).—After what is said to have been the wildest rioting in the history of the French parliament, during which fifty deputies engaged in a free fist fight on the floor, the Chamber of Deputies this evening by a vote of 371 to 143 decided to suspend the parliamentary immunity of Marcel Cachin, the communist member.

A commission of the chamber which investigated clungings that Cachin recently had been engaged in communitistic activities in the Ruhr recommended that the deputy's parliamentary immunity lifted so as to permit of the prosecution of Cachin by the government on a charge of conspiracy against the security of the state in connection with plans to call a general strike in the Ruhr and French cities in protest against France's seizure of the Ruhr.

**Radicals Make Protest.**

Several deputies, notably radicals, during the debate expressed disapproval of the government's action. They declared that M. Cachin was being persecuted for his opinions.

Francois Arago, vice president of the chamber, presided and suspended the sitting for a time. When it was resumed the uproar steadily grew worse, and finally the "communists" rose in a body and, bowling over the ushers, attempted to storm the presidential desk. The members of the Right, led by Prince Joachim Murat, flew to the rescue. When the two bodies met fists flew.

**Eyes Are Blackened.**

Eyes were blackened and lips and ears were swollen in the melee. The battle went on for several minutes until reinforcements of ushers were brought up and succeeded in parting the belligerents and forcing them into the lobby.

The rumor links the name of Mr. E. R. Polts, proprietor of the Hotel Wheeling, as the purchaser. Mr. Polts when called last evening denied the purchase but did not deny he has been contemplating buying the steamer.

These delicious confections will be baked by the Misses Esther Haugen and Miss Eva Whalquist, who are in the city demonstrating Gold Medal Flour. All those who attended The Times-Sun Cooking school in Buesman's Dancing Academy last week know what excellent cooks these young ladies are, and there will be a great demand for their home-made good things.

Those wishing to leave orders for any of the above articles for their Sunday dinner, should call Mrs. A. C. Williams, phone 1500-X as soon as possible, or attend the sale early so as not to be left disappointed.

The ladies plan to bake all day at the church and supply the demand, if possible. The articles will be sold at reasonable prices and the members of this progressive class are anticipating a liberal patronage.

## Once More The Famous Five Dollar Sale Is Here

Affording the hundreds of women who failed to take advantage of this GIGANTIC OFFER last time, to fully satisfy their whims now for KLINE APPAREL at very little cost.

### Greater Buying Opportunities Than Ever In This Clearance Sale

WE HAVE REASONS FOR TAKING THIS IMMENSE LOSS. The space here is limited and not adequate to tell it all and will leave that or later on.

To tell you just a part of it and rather briefly, we are just going to say, that we are laying great plans for GREAT EXPANSION in this fast growing establishment and we are going to be more helpful to you every day.

### Another Daylight Floor Is To Be Added To Kline's Present Capacity

The Third Floor, which has not been in use, will be put in shape in time for this Spring Opening with such well-laid plans that it will revolutionize the trade in a mercantile way, the details of which will be explained at the proper time.

And so, THIS GREAT UNIQUE FIVE DOLLAR SALE is going to accomplish more than one thing. First to show our gratitude for the steady growth and confidence bestowed upon us, and secondly, to clear stocks in order to re-arrange departments and bring about the desired results.

Saturday Is The Day. Promptly At 9 O'clock.  
Open Saturday Nights Till 9 As Usual. Twelve Hours Of Real Buying Opportunities.

### Important

Owing to the great crowd that will no doubt attend this SALE of SALES, no pin fittings will be made Saturday. Appointments for fittings may be made for any day following the SALE.

### Buy All You Can Now For Future Needs

When, will you again have such an opportunity to buy such choice Dress Accessories, such as KLINE'S have, at HALF PRICE?

OPPORTUNITIES LIKE THESE may never present themselves again. No need to longer be satisfied with the mediocre type of apparel and accessories, when quality and style measuring up to the exacting standard may be procured at such little expenditure.

## The Five Dollar Sale Explained

You buy any Suit, Coat, Dress or Skirt in stock at the regular price first—and for an ADDITIONAL FIVE DOLLARS you can have your choice of any other garment of equal value or less.

In other words, you don't have to buy another dress after buying one, but you have the privilege of selecting a coat, suit, skirt, hat or any other garment on the second floor to equal value of your first purchase or less, at the extra sum of FIVE DOLLARS! Thus making your two Twenty Five Dollar purchases add up to \$30.00—two Fifty Dollar purchases at \$55.00 and two Hundred Dollar purchases at \$105.00, etc.

THIS PLAN IS A GREAT ADVANTAGE over the last Five Dollar Sale we had, for you are not obligated to buy two of the same article, but purchase your entire wardrobe under this Unique Plan.

Many women will club together and buy in this sale. We do not restrict in this case either. Neither do we object to the number of shoppers in the club.

If you are in need of a Suit and your neighbor, friend or acquaintance is interested in a Coat, Dress, Skirt or Hat, why not suggest that you buy together?

### It Is Going To Be A One Grand Time During This Unique Sale

And so we suggest that you come early for best choice. But please note that we shall not grant the usual privileges of approvals, exchanges or refunds. Every Sale Must Be Final.

## Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—Can you tell me when they are going to re-appraise the real estate in Portsmouth? I know people who have houses on the tax duplicate at \$4,000 and \$5,000 and who want to sell, but they ask from \$7,500 to \$8,000 for them. Now, don't you think they should pay on the price they are asking for their property?

**FAIR PLAY.**  
Portsmouth property is appraised lower than it is in the majority of cities. If I remember right, the last appraisement was about three years ago, and there won't be another one very soon. However, the Board of Equalization, consisting of the County Commissioners, the county auditor and county treasurer, meet every year, and if you or anyone else has a protest to make about the value of a certain piece of property, you can file a claim with this board, and the matter will be adjusted to the satisfaction of all concerned. As a rule,

property is only appraised at about two-thirds of its actual value. Sometimes it is rated a little higher to allow for depreciation. Some property owners ask a high price for houses because they do not want to sell them. Others because houses are scarce and they think they can get any price. Then, too, people have been paying high prices for houses during the past five years and they have to sell at a high price in order to break even. I don't think there has been much money made on real estate during the past year. If you have a little money, why not get in the game, and you will find out that there is not as much profiteering going on as you imagine.

Dear Miss Wise—What will the leading colors be this spring? And will capes be worn this coming season? I have a cape and do not know whether to have it cleaned or buy a spring coat.

If you will take an afternoon off and promenade through the local stores you will learn more about the leading colors and the styles for spring than I can tell you. Tulle, tulle and crepes in blues, blacks, browns, tans and some of the brighter shades will be worn, according to the advance showing now on display in the various stores. I would advise you to have the cape cleaned and ready for use on the first warm spring days. Then when the spring wraps come in, if you think you want a new one, or can afford to get one, you may do so, and wear your cape for every day, or second best.

Dear Dolly—Who should I write to about my bonus, and is it too late for an ex-soldier to get a compensation?

**EX-SOLDIER.**  
Write to Compensation Director Robert R. Roberts, Columbus, Ohio. What's the matter—have you been asleep? If not, you should have looked after this very important matter this time last year.

Dear Miss Wise—Will you kindly tell me how to clean a gray plume for a hat?

**TIMES READER.**  
You can clean it with corn meal and flour, corn meal moistened with gasoline, or black magenta. Rub on thoroughly and then dust out until clean. You could also wash it with soap and water. If you expect to put it on your new spring hat, I would suggest flowers or some other trimming instead of the plume.

Dear Dolly—To settle an argument, will you kindly tell me how old Henry Ford is?

**INQUISITIVE.**  
Henry will be 60 years of age in July.

Dear Dolly—I am eighteen years old and love a boy nineteen years old. He loved me until I broke a date with him one time and now he doesn't even speak to me. Dolly, what can

One of the most brilliant society events of the post-holiday season, was the formal dinner given by the members of the Art Circle last evening at the handsome home of Mr. and Mrs. Pearl E. Selby, 1139 Gallia street, when they had for their guests the husbands of the members.

Though formal in nature, the dinner was marked by dignity and simplicity of conception, artistic originality of detail and hospitality both satisfying and beautiful in expression. The dining room was turned into a bower of unusual fascination and beauty by the magic wand of the decorator, who with the back ground of a home built on artistic lines,

**COLDS**

**VICKS VAPORUB**

I do to get him to love me again?

A. T.  
If you had a good excuse for breaking the date, and explained the matter to him, I see no reason why he should get mad at you unless he wanted an excuse to quit you. If you have squared yourself with him and he still acts peevish about it, I certainly would not force myself on him or try to get him back. Is he the only man in your little village?

Dear Dolly—What kind of a coat would look best, an all fur coat or a cloth coat with a fur collar? Dolly, a saleslady told me that fur coats are not in style now, so I am undecided about what to buy. Will fur look well as long as others? I have a suit and a spring coat, but I want a winter coat. Also tell me what kind of a dress to get. I have a canton crepe, but I want something else. I have brown hair, blue eyes and a rather swarthy skin. What colors would suit me best?

**THANK YOU.**  
Fur coats have not gone out of style, but the reason they are not so popular here is because we have such mild winters that people do not feel the need of a fur coat. If you think you want one, this is a good time to get it, as you can get some wonderful bargains now, and you would be all set for next fall and winter. You would also get quite a bit of wear out of it this year. The cloth coats with or without fur collars are quite popular, so whatever you get you won't make a mistake as to style, etc. As for your dress, tulle and crepes are the best bet for spring, and they may be had in all colors. Browns, blues, and blacks are always good.

Dear Dolly—If I own a home before marriage and it is still in my own name, can my husband make me sell it to get his share? We have no children. And can he take the furniture? I have no other way to make my living only by renting my home.

**L. R. M.**  
Your husband can't make you sell the house if it belongs to you. The only claim he has on it is his dower interest, and if you are not living with him, and never intend to, you could go into court and have him divested of all interest in your property. That would fix him. Tell him that is what you are going to do, if he starts heckling you about selling it. I am not sure about the furniture. He might be able to get his share out of that. Why not consult an attorney and have things fixed up?

## SOCIAL NEWS

brought a touch of spring-time a little earlier by the judicious distribution of fragrant spring flowers and snuff. Thirty-seven guests, the ladies in their handsome evening costumes and the men in dress suits, made a pretty picture when they were all seated at the eight tables, which were utilized in the attractive arrangement of the service. Each table had for its central adornment a lovely bowl of sweet peas and lighted tapers, and the place cards were hand-painted in delicate tones of pink and white. The service of a three course menu was unexcelled.

A delightful program was arranged for the dinner, a part of which was presented between each course, making the affair very enjoyable. Three of the guests present, Rev. Hugh T. Evans, J. Frost Davis and Mr. John A. Lowry, husbands of three new members recently added to the club, were initiated last evening and much merriment was caused by the various "stunts" they were called upon to perform.

Following the dinner the remainder of the evening was spent in a wholly informal manner, in singing, music, and in the exchanges of the little amenities of life, for which there is no especial rule, nor hour.

The hostesses left nothing undone for the pleasure of their guests, and to them is accorded a social triumph. Those invited were:

Dr. and Mrs. Harry A. Schirman, Dr. and Mrs. D. A. Berndt, Mr. and

A delicious salad course was served. Club members present included the following: Mrs. Wm. Kemp, Mrs. Lucy Smith, Mrs. Howard Krall, Mrs. Harold Welch, Mrs. Mark Gyor and Miss Darlene Welch.

Mrs. Adolph Goodman will entertain the members of the Matron and Maid Club at her home, 421 Fourth street, next Tuesday afternoon.

# Rapid-Fire Detective Work In Following Clue Leads To Arrest Of Young Robbers

A clever piece of police work on the part of Special Officer George Dever of the Portsmouth Street Railway and Light company at New Boston, Deputy Marshals Harvey Neal and Thomas Harris of New Boston and Officer George Harding of the Portsmouth police force resulted in the capture of two young men giving the names of Ernest Elliott and C. S. Parker, early today, charged with the burglary of the New Boston traction waiting station and lunch room early this morning when over \$300 was obtained. The arrest of the two men followed by the identification of a suit one wears as one stolen from the Tanenhaus store 318 Chittenden street on the night of December 28 leads police to believe the two men committed the burglary of that store.

They are also thought to know something of other recent robberies.

Police are confident both were implicated in the robbery of the Doerr restaurant 218 Market street on the night of December 28 when close to \$100 was stolen. Although the young men claim they are only 17 years of age they are being held at the New Boston police station while an effort is made to find their real ages and to see if they can be connected with other robberies.

Special Officer Dever employed at Millbrook park notified the two strangers loafing about the waiting station after it was closed around the midnight hour and questioned them. They explained they were waiting on the first traction car out in the morning. Dever went ahead

with his work of cleaning several cars near the Casino and when he finished his work and returned to the waiting station he noticed a window leading to the lavatory open. He investigated and found that the lunch room conducted in connection with the waiting station had been visited the cash drawer being rifled and the cash taken from a punch board gone. He then enlisted the aid of the New Boston officers and it was learned that two men had left the vicinity of the waiting station in a taxi. The taxi stations in the city were visited and it was soon learned where a driver had taken two men from New Boston to Second and Market streets. A visit to the hotels in that section with Officer George Harding accompanying them resulted in the two men being

found at the Big's House. One was found in his room and the other on the stairway. According to officers the \$100 taken from the waiting station lunch room was found on them and a wrecking bar used to pry open the window of the waiting station was found in their room.

Parker and Elliott were returned to the New Boston jail. Other local officers then got busy and a short time later arrested a young woman at the Big's House. At the time of the Tanenhaus robbery several shirts were taken and it was thought that a young woman was operating with the robbers. She was released by the local police this morning after she had been closely questioned. She claimed she did not know the men and a search of her belongings failed to disclose any of the stolen articles.

The manager of the Tanenhaus store and employees of Doerr's lunch room were called to New Boston to see if they could identify the men. The manager of the Tanenhaus store did not have any trouble in identifying the suits worn by the men while employees of the Doerr place claim that the young men were the same two who spent considerable time about the lunch room the day before the robbery of that place. After the robbery the two could not be found.

Officer Harding also identified them as the pair he saw in the West End the day previous to the lunch room robbery.

Local officers looked through the register at the hotel this morning and found that the men had registered on December 5, December 28 and yesterday. Elliott registered on December 27 and is said to have remained in his room all that day waiting on Parker who arrived here the 28th. Officers questioned the men this morning and they claim that Parker admitted breaking into the New Boston waiting station. Elliott refuses to talk. Officers claim that both are more than 18 years of age. Elliott has the appearance of being a dope head according to local police.

## Vulcan Last Company Increases Its Capital Stock To Two Million Dollars

So rapidly is the business of the Vulcan Last Company of this city, expanding that the firm has found it necessary to increase its capital stock from \$400,000 to \$2,000,000, it now ranking as one of the largest last-making firms in the country.

The firm operates branch plants in Johnson City, N. Y., St. Louis, Crandon, Wis., and Spice Run, W. Va. In the local plants the daily output of finished lasts has reached 4,500 and 1,200 pairs of lasts are being remodeled daily. In the firm's branch plants 4,000,000 rough blocks are being turned out annually and this number is soon to be greatly increased. These blocks are shipped to the local plants, the only ones in which the finished product is turned out. Twenty-five thousand pairs of heels are also turned out daily.

Announcement was made Friday that the firm would soon erect another plant here in which fibre form lasts would be made. They are much lighter than the wooden lasts and much money is saved in shipments. This plant will be built in conjunction with the one in operation at Third and Jefferson streets. Fibre form lasts are very practical. The Vulcan Last Company plans to soon turn out thousands of pairs of them.

The firm also announced Friday

that the plant in Crandon, Wis., had been entirely rebuilt and was in smooth working order. It replaces the one recently wiped out by fire.

Stockholders of the company at their annual meeting re-elected the following directors: J. W. Snyder,

George A. Goodman, M. H. Shumway, C. H. Campbell, M. H. Sattelle, W. L. Questel, W. J. Burke and Attorney C. M. Searl. These directors will meet in a few days for organization.

## HAD NERVE IN SUPERLATIVE DEGREE; AS A RESULT IS PLACED UNDER ARREST

The nerviest person on record was uncovered in Portsmouth Thursday when the police arrested a man giving the name of Herbert Hendrickson and Cleveland as his home on a charge of non-support.

He showed his unequalled nerve when he wired his wife in Cleveland for \$20 to pay a fine assessed against him in municipal

court yesterday on an adultery charge. Mrs. Hendrickson immediately signed an affidavit against him, charging non-support. Hendrickson did not deny his guilt and was taken back to Cleveland today in his own machine, acting as a chauffeur for the arresting officer.

Hendrickson was arrested in East Portsmouth and pleaded guilty to an adultery charge.

Weeks passed, and every ship from home brought additional news. William had crossed to England, and in March of that year, 1683, they learnt in Jamaica that he had accepted the crown and that James had thrown himself into the arms of France for rehabilitation.

To a kinsman of Sunderland's this was disquieting news, indeed. It was followed by letters from King William's Secretary of State informing Colonel Bishop that there was war with France, and that in view of its effect upon the Colonies the Governor-General was coming out to the West Indies in the person of Lord Willoughby, and that with him came a squadron under the command of Admiral van der Kuylen 'to reinforce the Jamaica fleet against eventualities.

Bishop realized that this must mean the end of his supreme authority, even though he should continue in Port Royal as Deputy-Governor.

Said he to Lord Julian, "This war with France removes all restrictions in the matter of Tortuga. We are free to invest in it the services of the crown. A victory there and we establish ourselves in the favor of this new government."

"Ah!" said Lord Julian and pulled thoughtfully at his lip.

"I see that you understand," Bishop laughed, coarsely. "Well, hint this rascal Blood in his hair, right under the beard of the King of France, and we'll take him this time, if we reduce Tortuga to a heap of ashes."

On that expedition they sailed two days later—which would be some three months after Blood's departure—taking every ship of the fleet and several lesser vessels as auxiliaries.

**CHAPTER XXV**  
**The Services of King Lewis**

MEANWHILE some three months before Colonel Bishop set out to reduce Tortuga, Captain Blood had blown into its well-known harbor two days ahead of the frigate in which Wolverstone had sailed from Port Royal a day before him.

In that snug anchorage he found his fleet awaiting him—the four ships which had been separated in that gale off the Lesser Antilles.

His captains, Hagthorpe, Christian, and Yberville, were on the jetty

to receive him, and with them were some hundreds of his buccaners. He cut short their greetings, and when they plucked him with questions of where he had tarried, he bade them await the coming of Wolverstone, who would satisfy their curiosity to a surfeit.

When the Old Wolf cast anchor in the bay two days later, it was to him all turned for the explanation.

Now Wolverstone had only one eye; but he saw a deal more with that one eye than most men do with two; and despite his grizzled head—so picturesquely swathed in a green and scarlet turban—he had the sound heart of a boy, and in that heart beat love for Peter Blood.

The sight of the Arabella at anchor in the bay had at first amazed him, as he sailed round the rocky headland that bore the fort.

As soon as ashore he was beset by questioning buccaners, it was from their very questions that he gathered exactly how matters stood, and perceived that either from lack of courage or other motive, Blood himself, had refused to render an account of his doings since the Arabella had separated from her sister ships.

"The Captain was ever a modest man," he explained to Hagthorpe and those others who were crowding round him. "It's not his way to be sounding his own praises. We fell in with old Don Miguel, and when we'd scuttled him we took aboard a London pimp sent out by the Secretary of State to offer the Captain the King's commission in so he him'd quit piracy and be 'o good behavior. The Captain damned his soul to hell for answer. And then we fell in with the Jamaica fleet and that gray old devil Bishop in command, and there was a sure end to Captain Blood and to every mother's son of us all. So I goes to him, and Captain's friend M. d'Ogeron. One 'accept this proxy commission,' says I: 'I'm King's man and save your neck and ours.' He took me at my word, and the London pimp gave him the King's commission on the spot, and Bishop all but choked his self with rage when he was told of it. Blood would 'a' slipped out of Port Royal again that same night. But that bound Bishop had passed the word, and the fort kept a sharp lookout. In the end, though it took a fortnight Blood bubbled him. He sent me and most of the men off in a frigate that I bought for the voy-

age. His game—as he'd secretly told me—was to follow and give chase. Whether that's the game he played or not I can't tell ye; but here he is afore me as I'd expected he would be."

At last, as Blood's buccaners were growing restive, something happened, brought about by the sunny morning the Governor of Tortuga came aboard the Arabella, accompanied by a chubby little gentleman, amiable of countenance, amiable and self-sufficient of manner.

"My Captain," M. d'Ogeron de livered himself, "I bring you M. de Cussy, the Governor of French Hispaniola, who desires a word with you."

"You have a good force here under your command, my Captain," said M. de Cussy.

"Some eight hundred men," M. de Cussy took snuff delicately. "I have something to propose," said he.

"Propose it, then," said Blood, without interest.

M. de Cussy looked at M. d'Ogeron and raised his eyebrows a little. He did not find Captain Blood encouraging. But M. d'Ogeron nodded vigorously with pursed lips, and the Governor of Hispaniola propounded his business.

"News has reached us from France that there is war with Spain."

"That is news, is it?" wondered Blood.

"I am speaking officially, my Captain. There is war between France and Spain in Europe. It is the intention of France that this war shall be carried into the New World. A fleet is coming from Brest under the command of M. le Baron de Rivarol for that purpose. What I have come to propose to you, my Captain, at the suggestion of our good friend M. d'Ogeron, is in brief, that you enroll your ships and your force under M. de Rivarol's flag."

Blood looked at him with a faint

skimming of interest. "You are offering to take us into the French service?" he asked. "On what terms, monsieur?"

"With the rank of Capitaine de Vaisseau for yourself, and suitable ranks for the officers serving under you. You will enjoy the pay of that rank, and you will be entitled, together with your men, to one-tenth share in all prizes taken."

"YOU ARE OFFERING TO TAKE US INTO THE FRENCH SERVICE?" HE ASKED. "ON WHAT TERMS, MONSIEUR?"

Captain Blood considered. This was not piracy that was being proposed. It was honorable employment in the services of the King of France.

"I will consult my officers," he said; and he sent for them.

They came and the matter was laid before them by M. de Cussy himself. Yberville, the young French filibuster, had the honor to point out to M. de Cussy that the share offered was too small. For one-fifth of the prizes, the officers would answer for their men; not for less.

M. de Cussy finally consenting to exceed his instructions, the articles were drawn up and signed that very day. The buccaners were to be at Petit Goave by the end of January, when M. de Rivarol had announced that he might be expected.

**CHAPTER XXVI**  
**M. D. Rivarol**

CAPTAIN BLOOD was still in disgruntled mood when he sailed from Tortuga. In that same mood he greeted M. de Baron de Rivarol when this nobleman with his fleet of five men-of-war at ast dropped anchor alongside the bucca-

neer ships, in the middle of February.

Summoned to wait on him, Captain Blood repaired to the Castle of Petit Goave, where the interview was to take place. The Baron, a tall, hawk-faced man of forty, very cold and distant of manner, measured Captain Blood with an eye of obvious disapproval.

He took up a paper. "I have here a copy of the articles into which you entered with M. de Cussy. Before going further, I have to observe that M. de Cussy has exceeded his instructions in admitting you to one-fifth of the prizes taken. His authority did not warrant his going beyond one-tenth."

"The articles we signed are the condition of our service; and the articles provide that we receive one-fifth share. He uses us that, and you cancel the articles; cancel the articles, and you cancel our services with them. From that moment we cease to have the honor to hold rank in the navies of the King of France," was Blood's reply.

The Baron glared. "I will consider the matter," he said sullenly. "You shall be advised of my resolve."

Captain Blood rose and bowed. "M. le Baron!" said he.

The next day M. de Rivarol sent for Captain Blood.

"I have considered well," he announced. "And whilst my opinion remains unaltered, I must confess that since M. de Cussy has pledged us, it is for us to fulfill the pledges. The articles are confirmed, sir."

Blood and his officers were summoned a week later to a council which sat to determine their operations against Spain. M. de Rivarol laid before them a project for a raid upon the wealthy Spanish town of Cartagena. Captain Blood professed astonishment. Shortly invited by M. de Rivarol to state his grounds for it, he did so with the utmost frankness.

"Were I General of the King's Armies in America," said he, "I should have no doubt or hesitation as to the best way in which to serve my royal master and the French nation. That which I think will be obvious to M. de Cussy, as it is to me, is that we should at once invade Spanish Hispaniola and reduce the whole of this fruitful and splendid island into the possession of the King of France."

## Sunday School Lesson

The Prodigal Son, Luke 15:11-24.  
REV. CARL M. SWEATY

Golden Text: "Likewise I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." Lk. 15:10.

### Outline:

- (1) Selfish Seeking, Vs. 11, 12.
- (2) Sowing Wild Oats, V. 13.
- (3) Sowing Swine, Vs. 14-16.
- (4) Sorrow of Sin, Vs. 17-19.
- (5) Seeking the Father, Vs. 20-21.
- (6) Season of Rejoicing, Vs. 22-24.

Our lesson today is the last of three parables found in the fifteenth chapter of Luke which present a three-fold aspect of the backslider's life and the three-fold relation of the true God to the backslider.

In the FIRST we have a sheep, wandering from the fold. This could not mean an unsaved man. The shepherd is our Lord Jesus Christ, who goes out after the wanderer and brings him home, then there is great rejoicing.

In the SECOND there is the coin lost in the house. The woman lights a candle and searches and sweeps until she finds. Then there is great rejoicing. This is the work of the Holy Spirit through the Word which is the light.

In the THIRD, which is our lesson, the Son is lost in a far country. The Father's unchanging love brings the backslider back home, then there is great rejoicing and making merry. The three parables present God to the Father God the Son and God the Holy Spirit all in the work of restoring the backslider.

### LESSON PROPER

(1) Selfish Seeking, Vs. 11, 12.

"Give me the portion of goods." Here a picture of the blessings of Kingdom. Here an illustration of how Kingdom may be abused. Selfishness is the root sin of the human heart, willfulness is the fruit. Every sinning backslider finds the beginning of his downward course here. First he becomes separated in thought. Then he becomes separated in outward life. He neglects prayer and the Word of God, then the church and work of God. Alas! this is the Old Testament illustration of this truth. It is dangerous for a Christian to begin to distinguish between that which he calls "his own" and that which belongs to God. A Satanic snare. God gives his children the power to choose. He does not force us to be loyal.

(2) Sowing Wild Oats, V. 13.

"Wasted his substance in riotous living." "Not many days." It is a short cut from thought to deed. He does not ask the Father's blessing. Without God's grace our tendency is to

speedy destruction. "He that loveth pleasure shall be a poor man" is as true in the Spiritual as in the material realm. The course of the world is destructive, never constructive. The road to Anarchy is the use of an unsundered will. Judges 21:25.

(3) Sowing Swine, Vs. 14-16.

This man began by being his own master and ended a slave to a swine owner and envying even the swine, coveting their satisfaction and contentment. It is the old story. "He began to be in want." If we choose we can live away from God, but we can have no real joy or peace. "As I live, saith the Lord, there is no peace to the wicked."

(4) Sorrow of Sin, Vs. 17-19.

"And when he came to himself." He has been so absorbed in his pleasure as to be unconscious of the rock and ruin wrought by his reckless, selfish, Godless habits. His hunger brings him to himself. The following hymn applies to his case: Where is the blessedness I knew when I first saw the Lord? Where is the soul-refreshing view of Jesus and his word? He decides to return home. He frames his confession. "I have sinned against heaven in thy sight." God's eyes are on the backslider in his sin.

(5) Seeking the Father, Vs. 20-21.

"His Father saw him." His Father saw him first. He was looking for him. The Father ran to meet him. Another picture of the Father's love. The son didn't get very far with his confession, for his Father embraced him and kissed him. The kiss assures of forgiveness. How the heart of the son must have leaped when he saw Father again, and how sweet the pressure of his Father's lips. How wonderful to be in his Father's arms. Many a backslider hungers for this same blessed experience.

(6) Season of Rejoicing, Vs. 22-24.

"let us be merry." Nothing is left to remind him of the swine pen. No badge of sentiment is to be given him. He is a Son and shall have a Son's place. The kiss is an assurance of forgiveness. The robe is a testimony of his full restoration. The ring is the bond of union which can never be broken. The shoes testify to his standing in the home. The slain calf is a token of fellowship.

How about the elder Son?

He stands for that company of self-satisfied professors in the church who are not interested in the salvation of lost souls. They are more of a hindrance than a help. Such were the Pharisees in Christ's time.

## SOAKS RIGHT IN AND LIMBERS UP STIFF JOINTS

Pharmacists Call It "Joint Ease," Because It's For Swollen, Sore, Painful, Creaky Joints Only.

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain-racked joints as good as new.

They call this new and wonderful preparation "Joint Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint Ease" is prepared only for people who have a swollen, painful, creaky, distorted or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuritis, neuralgia, aching muscles, stitch in the side, crick in the neck or sore foot because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint Ease." You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds' rubbing. It surely is a swift penetrator and when it gets under the skin, it starts right in to clean up all joint trouble.

All druggists dispense it daily for about 60 cents a tube, as do first class druggists everywhere.

## YOUNG CYCLONE HITS DUCK RUN

Much havoc was wrought by a heavy wind which swept the headwaters of Duck Run Thursday when the gale blew with such violence as to partially unroof buildings and uproot large trees, besides, farmers sustained considerable damage through the shattering of fences and scattering of corn and fodder, shocks of which were picked up by the cyclone

and carried in some instances for two or three hundred yards. The storm covered a radius of about three miles and started during the middle of the forenoon and lasted several hours, subsiding late in the afternoon. It was one of the most severe wind storms that has ever been experienced by the residents of that section.

## BUYS 4,000 FLAGS FOR SCHOOL CHILDREN

VANCEBURG, Ky., Jan. 19.—W. Dugan, local manager of the Bureau of Tobacco Association Warehouse, has proved his interest in Lewis county schools by cooperating with the school board in many ways. He has purchased one hundred New University dictionaries and 4,000 American flags, paying for them with his own funds, and has donated them to the common schools of Lewis county.

Each school will be presented with a dictionary and each child will be presented with a flag. The flags are twelve inches and are each mounted on a nice stick which is tipped with a gull ball. The entire investment represents an outlay of about \$500. The flags and dictionaries are now being distributed by county superintendent of schools J. Q. Adams.

## Dr. R. H. Martin To Address Union Meeting At Trinity

Recent investigation having revealed the alarming proportion of cases committed by youthful offenders and the general laxity with reference to respect for law, particularly on the part of persons of foreign birth, a timely discussion of an important topic is anticipated when Dr. R. H. Martin addresses a mass meeting in the interest of the moral element in education to be held under the direction of the Ministerial Union of Portsmouth at the Trinity M. E. Church next Sunday afternoon at 2:30. The same speaker will also be heard to

night at the South Portsmouth M. E. church. The Ministerial Union is particularly anxious that school and public officials, parents and employers shall hear the discussion next Sunday afternoon. It is believed that the prominence of the speaker and the importance of the theme will attract a large audience of the thoughtful and patriotic people of the city. The meetings in this community are part of a nation-wide campaign being conducted by The National Reform Association in behalf of moral obedience to the moral laws of Christianity.

## FELT SO TIRED ALL THE TIRED

Indiana Lady Says She Was Run Down, Suffered With Her Back, Took Cardui, and Got Well.

Richmond, Ind. — "I thought I would write a line or so, to say that I owe my good health and strength to Cardui," says a letter from Mrs. Cora Cooney, of 705 North Seventeenth street, this city.

"I was all run-down until my family thought they would lose me," writes Mrs. Cooney. "My husband coaxed me to take Cardui so to please him, I did, and I will say I do not regret it, for I am able to do all my work and do my shopping."

"I have five children, four in school, my husband and a boarder to do for, and I do all my own work for all of us, and find time to play. We all praise Cardui. Every sick and run-down woman should take this wonderful medicine."

"I suffered with my back a very weak feeling in my limbs."

"I felt hardly able to drag; just tired—so tired all the time."

"It was an effort for me to do anything, but Cardui helped me so I felt like a different woman."

"If you are in a run-down physical condition, suffering as this Indiana lady says she did, give Cardui a fair trial. It should help you."

Cardui is a purely vegetable tonic, medicine for women's ailments found valuable in thousands of such cases as described above.

Take Cardui. Your druggist sells it.

# Corn Show Starts Off Well

Fulfilling expectations, the first annual Scioto County Corn Show opened at the Lucasville Community hall this morning with many farmers and their wives in attendance. The crowd this morning, according to the committee in charge, is but a forerunner of the big crowds expected tonight and at the sessions tomorrow, morning, afternoon and evening.

The success of the Corn Show this year means another show next year of bigger proportions. While the agricultural display carries the name of "Corn Show," soy beans, wheat and potatoes are also on display, with premiums being awarded in each division.

The display of corn is very gratifying to those in charge. When the time for all entries to be in last night arrived, the number of displays exceeded the corn display at the 1922 County Fair by twenty.

In addition to the display of some of the best corn, wheat, soy beans and potatoes raised in the county, there is offered an educational program that is sure to be well worth any farmer's time spent at the Show. Specialists from Ohio State University and successful Scioto county farmers are giving talks on farm problems that are of interest to every farmer.

The displays fill the basement of the Community building, the auditorium being reserved for the educational program. The admission will be free until tomorrow night, when a play will be given by the Lucasville high school students.

The farmers seem to have taken especial interest in the corn exhibits. In addition to the entries in the Scioto Valley, Ohio Valley and Upland Corn classes, many have entered corn in the best one bushel class where cash prizes and silver trophy cups are to be awarded.

While the corn display occupies the side walls of the basement, big tables in the center hold exhibits of wheat, soy beans and potatoes. There are soy beans and potatoes of every variety from the soil of nearly every quarter of the fertile fields of the county. Irish Cobblers will be found in abundance as well as Early Ohio, Peachblows, White Stars, etc.

An incomplete list of those having entries in the Special Best One Bushel of Corn class, includes the following names: W. O. Feurt, Orville Gable, M. J. Caldwell, L. H. Marsh, C. E. Wamsley, James Van Hooser, Dr. J. N. Thomas, Charles Appel, R. P. Overturf and Charles Bradshaw.

Some of these men have entries in the Ten Ear White and Yellow Corn class in addition to the following: Frank McGeorge, L. Harwood, William Morgan, Peter Snedaker, Louis Poole, Charles E. Graham, Fred Bihl, Fred Mootz, O. P. Oakes, Henry Coggon, John Violet, Ephraim Newman, William Long, A. S. Wamsley, Ray Cunningham and Joseph Turner.

Fred Bihl, A. B. Stambaugh, William Morgan and Charles Appel are among the exhibitors of potatoes.

The session this morning was given over to the judging of corn, wheat and soy beans. W. E. Hagar Specialist in Farm Crops, Ohio State University, having arrived for this purpose. The judging of potatoes also took place this morning.

N. W. Glines, Potato Specialist of the State Agricultural College, had charge. In judging the corn, the seed condition, size and suitability to locality and the uniformity, was taken into consideration.

The potatoes were judged upon their merits of uniformity as to size and shape, freedom from disease, true-ness to variety characteristics and typical size for variety. The premium list includes cash prizes, silver trophy cups for most exhibits and a fifty dollar credit on a steel corn crib for the best one bushel in the special class of corn in the sweepstakes class.

A score card will be used in judging exhibits and the scores will be recorded in a record book. Each succeeding year the exhibition will be scored and the quality of exhibits thus compared from year to year. Cards giving the score will be left on each exhibit so that the exhibitor may know whether his exhibit is good or poor.

The educational program opened promptly at one o'clock and the first address was made by W. E. Hagar, who spoke on "What Constitutes Good Seed Corn." His talk included a discussion on the score of prize winning corn. At one-forty-five o'clock, James Appel, R. P. Overturf and Charles Appel told of how they grew one hundred bushels of corn per acre. These men have achieved this record during the past three years are well fitted to talk on this subject.

At two-thirty o'clock, N. W. Glines talked upon Potato Production which included a discussion on varieties, seed selection and fertilizing. ## Reunion Of Methodist Churches Near Realization

CINCINNATI, O., January 18.—(By the Associated Press)—Reunion of the Methodist Episcopal Church and the Methodist Episcopal Church, South, separated 19 years ago, upon the issue of slavery approached realization when a committee of ten was appointed to consider statements of the two bodies and to lay down principles of a contract on which co-operation can be accomplished. Action followed a proposal by representatives of the Northern body and the answer, which was presented a joint session of the two late last night.

The findings of the committee of ten is to be presented to the joint commission this afternoon. Member of the commission expressed the hope that the committee would agree upon and present a plan of union to be presented to the Methodist Episcopal Church conference and to the Southern church at a special conference called before the general conference, which does not meet until 1926. Such an agreement would result in the presentation of the third plan to the general conference, the first having been proposed sixteen years ago and rejected. A second plan was rejected some years later.

## Theatre Party Is Big Success

Every person who attended the Grotto theatre party at the Sun theatre last night enjoyed an entertainment that exceeded all their expectations. The committee in charge George Emrick, W. A. Pepper and Earl Hannans saw to it that there was something doing every minute.

Noise making horns were distributed in an effort to get the Jack Ball Stock Company players "off their lines," but all the noise the prophets and their friends could make did not stop the performers.

Manager Frank Hawkins told the committee that anything they would do in the audience would not bother the actors and he was right. Other features included a song hit by Musonice bowlers led to the stage by Frank Sheridan, the presentation of a real chicken to Monarch John Millard, a bombardment of popcorn balls from the stage, the throwing of paper ribbons and a shower of balloons.

The three act farce comedy "What Is Your Husband Doing?" by the Jack Ball Stock Company proved to be one big laugh from start to finish and just the kind of show needed to make the theatre party a huge success.

## GOOD HEALTH SECRET OF BEAUTY

Beauty lies in the care a woman bestows upon herself and in keeping at bay those dread ailments peculiar to her sex, which drag her down and leave telltale traces upon her countenance. Sparkling eyes, the elastic step and a clear complexion never accompany organic troubles. Distressed expressions, a sallow complexion, dark circles under the eyes, lassitude, headaches, and mental depression are the telltale symptoms of women's ailments. Women so troubled should not lose a day in taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, the most successful remedy known to overcome woman's ills and restore health and beauty.

That is the joyful cry of thousands since Dr. Edwards' produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years, and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No wonder is the "key-note" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" and broken-down tired feeling, seek headache-torpid liver-constipation, you'll find quick, sure and pleasant relief from one or two of Dr. Edwards' Olive Tablets at bedtime.

## Skin Ablaze with Eczema

Constant Itching Almost Unbearable!

We know there is one thing that stops eczema, and that is more red blood-cells. S. S. S. builds them by 125 million! You can increase your red-blood cells to the point where it is practically impossible for eczema to

exist. We know that as blood-cells increase in number, blood impurities leave the body. We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it! Skin eruptions, eczema, are actually skin diseases. Eczema is the fighting giant of nature! S. S. S. builds them by the millions! It has been doing it since 1891. S. S. S. is one of the greatest blood-cell builders, blood-cleansers and body-builders known to us mortals. When you get those itchy, scaly, burning, then to continue to have eczema and skin eruptions looks more like a sin than a disease. Mrs. Arthur N. Smith, Pearl St., Newark, Ohio, writes: "My little girl had a very bad case of eczema. She began taking S. S. S. and in a few days it was all gone. I feel now, I think you very much, and I feel my friends who a good medicine it is. I cannot talk too much about it, for I know it is O. K."

Here is your opportunity. S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does build red-blood-cells, it cures rheumatism, builds firm, fleshy skin, cures hollow cheeks, beautifies the complexion, builds you up when you are run-down. S. S. S. is sold at all drug stores, in two sizes. The larger size bottle is the more economical.

## Grain Firm Incorporates

The grain business conducted by Zelsler Bros. at Lucasville, has graduated from a private concern to a corporation as is evidenced by the granting of a charter to The Zelsler Grain Company at Columbus Friday. The new company has a capital of \$25,000, with George Zelsler, William Zelsler, Anna L. Zelsler, John N. Moulton and Frank W. Moulton as the incorporators.

It was stated Friday that the company plans to improve its facilities for handling grain by erecting a number of new warehouses at Lucasville.

## BREAK GROUND FOR NEW HOSPITAL

Simplicity marked the breaking of ground Friday morning for the foundation of the new \$200,000 Mercy Hospital to be erected on Kinney's Lane and just east of the present building used for hospital purposes.

With a ribbon bedecked spade, W. J. Burke, head of the Vulcan Last Company turned the first spade of earth and tossed it into one of the wagons of the Danis-Hunt Construction company, builders of the hospital. After this had been done at 10 o'clock all staff physicians who were present and several prominent citizens emulated Mr. Burke by tossing a spade full of dirt into the wagon.

When Sister Blandina was asked to take part in the ceremonies she smilingly assented. Grabbing hold of the spade she shoved it into the ground and after filling it with dirt tossed it into the wagon. She was applauded as she stepped back into the line of spectators who witnessed the ceremonies.

She was followed by Postmaster Vallee Harold, Rev. T. A. Goebel, J. W. Snyder and John Vogt who

wielded the spade with "speed and precision."

Before the exercises were started the size of the hospital was roped off and at each conjunction a flag was planted in the ground. As the wagons drove up to carry the dirt away they were bedecked with flags.

The Sisters of St. Francis and the nurses and student nurses and staff physicians lined up on the west side of the proposed new building and immediately back of them was Father T. A. Goebel, pastor of St. Mary's Church.

Among those present were: Rev. T. A. Goebel, Postmaster Vallee Harold, John Vogt, J. W. Snyder, W. J. Burke, B. J. Crohan, Safety Director Si Straus and the following physicians: Drs. Brown, McCormick, Crawford, Moore, Rapp, Nunemaker, Keil and O. R. B. Micklewait in addition to the entire staff of Mercy Hospital.

## MAY MEAN CLUE TO DRIVER OF DEATH CAR

The information was meagre, but Constable Parsons believes that if he can get in touch with the writer he may be able to obtain more direct information. He would like for the writer to communicate with him again by sending a post card containing his name or address. Parsons' address is Box 2, New Boston.

Mrs. Estell Mitchell Beaumont was 42 years of age and was born and reared in Ironton. She came to this city about twenty-three years ago.

In addition to her husband she is survived by six children, Howard, Mrs. Helen Mauck, Edward, Walter, Gertrude and Billie, aged six months. She also leaves three sisters and a brother, Mrs. Lottie Suedekar, Portsmouth, Mrs. Flora Brown, Mrs. Hazel Adolph and Burt Mitchell of Columbus.

Mrs. Beaumont attended the United Brethren church. Funeral services will be held probably Monday from the home with burial in Greenlawn.

Mrs. George Schaefer, age about eighty years, a native of Porter township, died Thursday afternoon as the result of a severe attack of grip, at her home at Waits Station. Mrs. Schaefer, who was formerly Miss Eliza Martin, was a member of the Lutheran church and was very well known in the community in which she lived, having been a resident of Waits Station for sixty years. Her husband, George Schaefer, died ten years ago.

The following children survive: Robert of Powellsville; Eliza, Bertha, Nellie and Mrs. Emma Patterson. Mrs. Schaefer also leaves one brother, Robert, Scioto Furnace, to mourn her death. She has a host of friends in this city who will regret to hear of her passing.

Funeral services will be held from the St. Paul's Lutheran church near Sciotoville Sunday afternoon, with Rev. C. A. Rhine of this city in charge. Burial will be in Wheelersburg cemetery.

Fannie L. Puntney, who died Thursday at the home of her nephew, 914 Fourth street, was born October 16th, 1846. She united with the church when thirteen years of age and lived a consistent Christian life. At the age of seventeen she began teaching school and taught for nine years. She was united in marriage with the late John M. Puntney December 21st, 1873. They moved to Portsmouth from Adams county in 1880 and handed their letters to the Presbyterian church. Mrs. Puntney was a member of the First Presbyterian church, an active member of the Woman's Missionary Society and a member of the Home Department of the Sabbath school. She was also a member of the West Portsmouth W. C. T. U. and a charter member of the Woman's Relief Corps, in which organization she at different times held office in local, district, state and national corps. She was very active in patriotic work, making friends wherever she went and was an especial friend of the old soldiers. She was the last of a family of seven brothers and sister and is survived only by nieces and nephews.

The funeral services will be held at the home of W. K. Puntney, 914 Fourth street, at 2 o'clock Saturday afternoon, with Rev. W. H. Gleiser in charge. Burial in Greenlawn.

Paul Brown, seven months old son of Mrs. Della Brown, (widow) 421 Boundary Street, died at six o'clock last evening as the result of tuberculosis. The father, Henry Brown, died seven months ago, three days before the child's birth, of heart trouble.

The mother and the following brothers and sisters survive: William H. Chester, Delbert Earl, Mildred and Blanche.

Funeral services were held this afternoon, with burial in Greenlawn.

William Hugh Lewis was born in Wales, 82 years ago. He was the son of William and Nancy Lewis and the last of a family of three sons and one daughter. He was brought to this country by his parents at the age of nine years. They first settled on a farm near Oak Hill but later moved to Carter Caves, Ky., where youthful days were spent. At the outbreak of the Civil War, at the age of 19 he enlisted in Company C, Ninth Ohio Cavalry, and he served for four years and three months. In 1867 he was united in marriage to Mary Jane Ray who died 27 years ago. To this union seventeen children were born, eight of whom died in infancy. On October 6, 1911, he was married to Mrs. Susan Hignite of Kentucky who survives. The nine children living are John Lewis of Edmond, W. Va.; Mrs. Ida Campbell of Wellston, Ohio; Mrs. Harry Dill of Cincinnati; Mrs. Walter Clark of New Martinsville, W. Va.; Miss Lydia Lewis of Columbus, Ohio; Edward Lewis of Jackson, Ind.; Mrs. William Pick of Channery, Ohio; Mrs. J. W. Pickett of Columbus, Ohio; Frank Lewis of Marion, Ohio.

Fourteen grand children and two great grand children also survive. Mr. Lewis for many years followed the miner's trade in the coal fields of the Hocking Valley and other points. He was connected with the adjutant general's office in the State House, Columbus, under Governor Harrison. Resigning from this work he was ordained a minister in the Christian church, and for many years gave his services to his Master, he had so long and faithfully served, and when infirmities of age and physical disability made necessary his retiring from active work, he continued his ministry in that which felt to his hand doing good in a quiet and unobtrusive way which characterized

his entire life. With the death of his wife he was left with the care of six small children. To these he continued as a father and protector, never failing in anything that meant for their well being, after sacrificing his own personal wants that his loved ones might have every comfort. No words are needed in the recital of Mr. Lewis' life. He died as he lived—in perfect harmony with his Savior, secure in His promise, recognizing and acknowledging every blessing as it was received. He derived unalloyed happiness in serving others. He will be sadly missed by people in all walks of life and his work is not finished. The influence of his life will go on and on, bearing fruit from seed carefully sown in good ground. On December 15th, last, he moved with his wife and devoted step-son Ben Hignite from the family home, Wolfe, Ky., to Wheelersburg, where he could have the benefit of medical care for the winter. He contracted a heavy cold and due to his advanced age he was not strong enough to withstand it and grew rapidly worse until Wednesday, Jan. 17th, when surrounded by his grief stricken loved ones he passed over to enjoy the "rest that remaineth for the people of God." He was one of the pioneers of the city of Wellston, and a member of the G. A. R. Post of Jackson county which had charge of the funeral held in Wellston this afternoon. Short funeral services were held from the home in Wheelersburg, Thursday afternoon by Rev. H. A. Kirk. After the funeral services at the church in Wellston, the body was laid to rest by the side of his loved ones who had long since crossed the bar.

"And I heard a voice saying unto me, write, Blessed are the Dead who die in the Lord. Yea from henceforth, with the Spirit, they who rest from their labor and their works do follow them."

W. R. C. Smith W. R. C. Smith, a well known farmer of Greenup county, Ky., passed away December 26th, 1922. He had suffered from asthma for eleven years and death came soon after influenza developed.

The deceased was born and reared in Greenup county and was married in 1872 to Miss Mary Frazee. He leaves to mourn his death his widow, seven children and a brother. The children are: Mrs. Charles Myers of Portsmouth, Mrs. Margaret Bennett of Fullerton, Mrs. Lizzie Billups, Mrs. Emma Bear, Mrs. Hannah Darrell, Lewis Smith and Marce Smith of Kentucky. A son, Willie, died four years ago at Jenkins, Ky. The brother is John M. Smith.

Mr. Smith was highly respected by all who knew him and always took an active part in the affairs of his home community. In addition to these traits he was an ardent Christian. In his death the community loses a good citizen and the children a kind and loving father.

In the words of the poet, "to live in hearts we leave behind is not to die." He is not dead but has only passed on to a higher and brighter life.

### Tear out this baking powder biscuit recipe

#### BISCUITS

2 cups Gold Medal Flour  
4 teaspoons baking powder  
1/2 teaspoon salt  
3/4 cup shortening  
1/2 cup milk  
Sift together flour, baking powder and salt, cut in shortening, add liquid slowly and pat out on floured board to about 1 inch in thickness. Cut with biscuit cutter. Bake in hot oven 12 to 15 minutes.

## Gold Medal Flour has always been her choice

YEARS ago Liza discovered the secret of successful biscuit baking was Gold Medal Flour. Because of its purity, whiteness and strength it has always been her choice.

Why wonder what kind of luck you'll have with biscuits today? Make them a certainty by using this recipe and Gold Medal Flour.

In using the recipe remember that soft dough patted out gives a fluffier biscuit than stiffer dough rolled out.

Eventually you will find it more economical to use one and the same flour for biscuits, bread, cake and pastry.

**Whisman Granted Divorce**  
Andrew Whisman, front street brewer, was granted a decree by Judge Thomas in Common Pleas court, Friday, divorcing him from Pearl Wilson-Whisman after he told the court a rather interesting story of his matrimonial experience with the defendant.  
During his recital Whisman stated

that two days after he married the defendant in Huntington, W. Va., in May, 1918, he found an engagement ring in her trunk which caused him to become suspicious and resulted in the wife admitting that the ring had been given her by a soldier boy but that he had been killed in action. "Two weeks later," Whisman said, "the wife received a telegram from the supposed dead soldier boy stating that he had arrived in the

States and would be discharged at Camp Taylor, Ky., and then she disappeared and that is the last I saw of her," he added.  
Whisman further told the court that during the short time he lived with the defendant they compared notes and discovered they were first cousins although they had never seen each other before. The courtship which started two weeks before the marriage, Attorney E. G. Millar appeared for Whisman.

## Many Changing Hands

Many automobiles are changing hands in Scioto County. At the office of County Clerk Ed Cunningham, 45 bills of sale were registered yesterday.  
Deputy Clerk John W. Hall says that the number of bills of sale registered during this month has far surpassed the number for a like period of any other month.

## Fund Tied Up By Injunction

Issue Dalton, of McDermott, as guardian of Ora and Helen Woods, minors, filed a petition in Common Pleas court Friday seeking to prevent Fannie Woods-George, of Radon, from collecting from the Norfolk and Western Railway company the sum of \$1000 due his wards through the railroad company's relief and pension department for the accidental death of Asa Woods, father of the children, who was killed in a wreck at Mt. Oreb on Dec. 24 while employed as a fireman.  
Judge Thomas granted a temporary injunction restraining Fannie George from receiving the money as trustee, and enjoining the railway company from paying over the fund until the case can be heard on its merits. Dalton sued through Attorney Mark A. Crawford.

## Case Continued

At the instance of counsel for the defense and for good cause shown Judge Thomas Friday vacated the assignment in the case of C. M. Tomlin, Wheelersburg, against Ohio Farmers' Insurance company, which was scheduled to come to trial next Wednesday. The case will be heard at a later date.

Tomlin sued to recover under an insurance policy for the loss of his general store and stock destroyed in a fire several months ago.

## To Administer Estate

Margaret Carter was appointed by the Probate Court Friday to administer the estate of her late husband, Warren Carter, who died recently at his home in Vernon township, leaving an estate consisting entirely of personal property with an estimated value of \$4000.

## To Testify Before U. S. Court

Former Deputy Sheriff B. E. Bennett and Green Willis, former prohibition officer, will go to Cincinnati next Tuesday to appear as witnesses before the United States grand jury in liquor cases from this section under investigation.

## James Convicted; Sent To Jail

Charles James, 57 years old, West Side farmer, was found to be guilty at a hearing in Probate court Friday of contributing to the delinquency

of Bedelia Crowe, 11 years old, daughter of Mrs. Margaret Crowe, also of the West Side, and Judge Gilliland sentenced him to three months in jail and fined him \$50 and costs.  
Testimony adduced at the hearing tended to show immoral conduct and attempts by James to take liberties with the girl.

## Slatzer Seeks Divorce

George Slatzer, 1216 Union street, charges habitual drunkenness and infidelity in his suit for divorce from Katie Slatzer instituted in Common Pleas court, Friday, through Attorney H. L. Small.

In his petition the plaintiff says they were married at Cattedsburg, Ky., in April, 1917, and have no children. He alleges that by reason of the defendant's habits she has been unfit to take care of her home or perform any of her duties as a wife, besides, he complains, during

all her married life she has continually associated with other men.

## Case Reversed; Remanded

Judge Thomas has reversed the Municipal Court in the case of Carl Walker against Hall Bros., and remanded the cause for rehearing, according to an approved entry filed in the office of the clerk of courts Friday.

Hall Bros. sued in the lower court to recover on a claim for a suit sold Walker while he was still a minor, the account being in the name of Walker's mother. The finding of Judge McCall was in favor of Hall Bros., and Walker prosecuted error.

## Default Judgment Awarded

Judgment by default has been awarded to the plaintiff for the sum of \$578.75 by Judge Thomas in the case of Forest S. Wolfe, as executor of the last will of Johnson Dyson, against W. A. Eichelberger

and T. A. Eichelberger, according to an approved entry filed in the office of the clerk of courts Friday.

The word "bulldoze" found its way into the dictionary just after the Hayes-Tilden presidential contest, when a negro used it in describing before an election investigation board how he was "prevented" from voting.

PAL MORAN GETS BIG CHANCE IN TENDLER BOUT

PAL MORAN  
Pal Moran, southern lightweight, is to get a real test when he clashes with Lew Tandler. The match offers great possibilities for the southern boy.

At the present time Lew Tandler is generally considered the leading contender for Leonard's crown. A win over Tandler would put Moran in line for some big things in a pugilistic way.

Will Babe Ruth Come Back?

SOUTH SUDBURY, MASS., Jan. 19.—Babe Ruth is coming back strong to regain his honors as the home run king. He says so. He looks it.

Twenty pounds taken off under a regime of splitting wood, setting up exercises, hiking and in recent weeks, snow shoveling, is the measure of Ruth's conditioning process to date, together with an appearance of fitness that is its trade-mark.

Bullseyes Of Baseball

BY BILLY EVANS

The freakiest ball game I ever saw? I would say that the fifth game of the 1920 world series, between Brooklyn and Cleveland, has that distinction.

Cleveland won that game 8 to 1. Despite the fact that Brooklyn made 15 hits, Jim Bagby, who pitched the game, deserved a shutout.

A number of times in the game it seemed that Brooklyn was certain to score, but always something prevented it.

In the second inning of the game Koussly tripled. With one down he tried to score on a fly to Leftfielder Jamieson. One of the greatest throws I have ever seen cut him down at the plate.

In the fifth inning, with runners on first and second and no one out, Second Baseman Wambegans of Cleveland made his new-famous triple play, unassisted, that retired the side.

In the eighth inning on a hit-and-run play, Mitchell, who had hit the line drive that resulted in Wambegans' triple play, broke up a rally by hitting into a double play.

The only Brooklyn run was the result of Doc Johnson's failure to handle a ground ball that was scored as a single, although it seemed as if the batsman should have been retired.

BY BILLY EVANS

Fifteen hits by Brooklyn, two errors by Cleveland, and a wild pitch by Bagby, yet Brooklyn made only one run and really should have been shut out.

Now for another freaky angle. In the very first inning Cleveland filled the bases with no one out, and Elmer Smith, Cleveland's home-run hitter.

The making of a home run always carries a thrill. If it comes with the bases filled there is just that much more punch to it. It happens in a world series game, oh boy!

Well, that is just what happened. With Burleigh Grimes, leading pitcher of the National League, doing the hurling, Smith hit the ball over the rightfield wall. Grimes says it was a ball that failed to break. Never have I seen a home run carry a bigger thrill with it than Smith's world series wallop of 1920 with the bases filled.

Pitchers seldom make home runs at any time, yet Jim Bagby contributed one in this world series contest. In the fielding line, Wambegans' unassisted triple play was the outstanding feature.

Never have I seen, nor do I expect to see, a game that will equal the fifth game of the 1920 world series for freaky happenings and big thrills.

TOMORROW—The greatest pitching I ever saw.

PIKETON VS NEW BOSTON TONIGHT

The Piketon hi school boys' five will perform in the New Boston gym tonight against the Glenwood hi quintet. The Piketon five was booked last night after South Webster hi cancelled on account of several players being ill.

An effort is being made to book a game for the New Boston girls' five.

STEALS MORE BASES THAN PHILLY TEAM

To steal 51 bases during a playing season is considered more than an ordinary feat, especially in these days when swiping sacks is looked upon as more or less of a lost art. But to pile up 51 cushions out of 53 attempts is a most remarkable accomplishment.

reverse of those of 1921, Carey with 37 burglaries ranking second in this campaign to Frisch, who piled up 48.

Not only did Carey top the field but he stole more bases than the entire Philadelphia team put together.

The best the Phillies could do in this department was to steal, which placed them at the bottom of the heap in both leagues.

And that's just what Max "Scoops" Carey, sterling outfielder of the Pittsburgh National League club, did in the 1922 pennant chase, for on but two occasions was the fleet-footed Pirate nipped in trying to advance a base by the thievish route.

The most "caught" stealer was Charlie Hollocher of the Cubs, who was nabbed on 20 out of 38 attempts. Duncanson, Cincinnati, was right behind, being tossed out on 28 occasions.

In the American League, George Sisler of the Browns showed the way with 51 steals, the same as Carey hung up. Sisler, though, was retired on 10 attempted swipes, as was his teammate, Kenneth Withers, runner-up, who grabbed 37 basebats.

A notable feature in the base-stealing end of play was the low mark compiled by Ty Cobb, who a few seasons ago was considered the greatest base-runner in the game.

In 1922 Cobb stole but nine sacks in 22 efforts. Surely a far different record than the Georgian used to boast, especially when compared to that of 1915 when he snugged 38 sacks, the game's modern high mark.

P. H. S. GIRLS PLAY GALLIPOLIS IN LOCAL GYM TONIGHT

Game Starts At Seven Bells

Seven o'clock is the time set for the starting of the big game in the high school gym tonight between the Portsmouth high school girls' five and the ladies from Gallipolis, Mo.

The P. H. S. girls are ready and anxious to get into the game, and judging from the way the locals have been practicing they mean to show the Gallipolis girls a real time on the court this evening.

Every fan who intends to see this game should be on hand by 7 o'clock.

Selects Whistle New Tune For Red Birds

Another snip was added to the belt of the Baseman Selects of this city last night when they invaded Hillsboro and defeated the Hillsboro Red Birds, the pride of Hillsboro county on the basketball floor, 35 to 26.

The contest was witnessed by the largest number of fans who ever turned out for a basketball game in that county. There were many fans present from towns some distance away. A special delegation was present from Winchester to root for the Selects.

The first half of the game ended 15 to 12 in favor of Baseman and his crew. The first half was hard fought the Selects just barely keeping a couple of points in the lead. In the last half they started one of their famous rallies which gave them a fair lead and from then on they took things easy, devoting most of their time to guarding. Edwards, Baseman and Doll formed the local scoring machine while Emery and Vogel were the main point getters for the Red Birds.

The Hillsboro five did not have a man who could match up with Captain Baseman. The local forwards were too fast for the home guards Davis and Lucas and Edwards and Doll were free many times for attempts at goal.

The lineups:

Portsmouth 35	Hillsboro 26
Edwards	R. F.
Doll	L. F.
Baseman	C.
Forster	R. G.
Brown	L. G.
Lucas	

Subs—Holt for Emery. Field goals—Edwards 6, Baseman 6, Brown 1, Doll 3, Carroll 4, Davis 1, Lucas 2, Vogel 2, Emery 2. Foul goals—Edwards 2, Doll 1, Vogel 2, Emery 2.

Referee—Cook of Denison University.

TO BET ON DOWNEY

CINCINNATI, OHIO, January 19.—To show the unbounded confidence he has in his charge, Blady Bishop, manager for Anthony Downey, today made the statement that he would wager \$1,000 on Downey when he would bet Billy Ryan here next Monday night. Bishop will bet \$500 on the result and he will wager \$500 that Ryan will not knock Downey out.

Statements from the training camps of both men are to the effect that they are in the top condition. Both have reached the crest of the hard training seige. From now on the work will be light and fast.

The club promoters are making arrangements to accommodate 2,500 visitors from nearby cities.

Fix Fight Dates

COLUMBUS, Jan. 19.—At a meeting of the Columbus ring commission held last night the Fairmount club was given Feb. 6, the Social A. C. Feb. 12, the Fairmount A. C. Feb. 19 and the Empire A. C. Feb. 26.

DIVIDE HONORS

Sciotoville fives divided honors last night when teams invaded the Sciotoville hi gym. The Sciotoville Selects won easily over Rosemont Road, 59 to 23, while the Sciotoville Juniors dropped a 17 to 16 game to the Ironton Hi Sophomores. The Ironton fives lost last week to the Sciotoville Juniors 16 to 15, each team winning on the visiting floor by one point.

In the big game between the Selects and Rosemont Road, the first half ended 23 to 10, the Selects running up 34 points in the second half.

Powell was the star point gatherer for the winners. He made 23 points, enough to beat the Rosemont quintet. Kent played a hard game at guard for the victors.

The lineups:

Sciotoville—59	Rosemont—13
Powell	R. F.
Wahler	L. F.
Hessman	C.
Kent	R. G.
Courtney	L. G.

Field goals—Powell 11; Wahler 6; Hessman 4; Courtney 6; Kent 1; Courtney 1; Courtney 1.

MAY WIN ON POINTS

CINCINNATI, OHIO, January 19.—It is the general opinion of boxing fans here that Anthony Downey's best chance to defeat Billy Ryan when they meet here Monday night, is to box cleverly with a view to winning the point decision. It is believed that Ryan's better chance for victory will rest with his right hand wallop, referred to as dynamite. If Ryan can connect he should win, and if he does not it looks that Downey will be returned the winner.

PLAY SCIOTOVILLE TIGERS

This evening in the U. B. church gym, Troop 9, Boy Scouts, will clash with the Sciotoville Tigers. The game will begin about 6:30. Troop 9 quintet will lineup as follows: Ury and Sommer, forwards; Cramer and Valentin, guards, and Baker center. For games with Troop 9, call 631-G.

New York=Day=By=Day

NEW YORK, Jan. 19—Thoughts while strolling around New York: A deserted house with a broken window. And a sad-eyed pup on the stoop. A gypsy fortune teller swathed in red—a scarlet streak in an ashen street. Two blocks away a whirlpool of life.

Cobble stones that strike fire. A gentleman trips over a lady's cane. Spindly-legged children dragging their stacks of kindling. Chalked walls. Littered alleyways. Rats. And always the drone of world-weary women.

Curbs lined with patient peddlers of useless trifles. A single happy note—the perambulating carousel for children. Getting depressing around here. I'll strike out for the upper avenue and gridded mansions.

As I live! Whiskers parted in the middle. And he wears a red puff tie. Very don't-careish. Nurse maids and flirtatious cops. Butlers as solemn as owls. Sombre and defiant homes that seem so cheerless. Still they have their cellars.

A limousine with a golden crest. And the head of the family came out of the west in a prairie schooner. Two movie stars now live in Millionaire's Row. Wonder if they feel welcome. Landscape painters defying the chill winds of Central Park.

The male strutters are going in for half length fur coats. And high heel shoes. The swagger stick is coming back. What a world! And there goes Damrosch, the orchestra leader. A bird store delivery auto. Canary colored and swank. An entire building taken over by a saxophone school. It's beating the ukulele craze. Fresh air zealots freezing on bus tops. One thing about this town—it's different. O very!

It is sad news to children that the Hippodrome is to be torn down so that a department store may be built on the historic site. New York youngsters look forward to the annual visit to the Hipp as they do to Christmas. Grown-folks were patrons, but the appeal was chiefly to youth. The directors of the largest playhouse learned that if you can delight the child you can attract the adult.

Speaking of the Hipp, there is a story of one of the performers becoming enraged at a howl in the production. After a heated volley of epithets the performer departed with this parting shot: "I hope all your children will be acrobats!"

A leading lady in a Broadway play received a telephone call the other morning from a Bronx mother. "I have never met you," said the mother, "but I am wondering if you would be good enough to loan one of your fur coats to my young daughter for an hour or so. She wants to go hunt for a job."

The highest prices ticket scalpers ever received along Broadway are for the production of David Warfield in "The Merchant of Venice." It is said that several front row seats have been sold for \$75 each. The next play in popular favor here is "Rain." A play, by the way, which the managers wanted to call "Red Light Gertie."

The collaborators objected and made even more vigorous objections when an effort was made to bring in a play

Worlds are charging—heaven be holding; Then hast but an hour to fight; Now the blazoned cross unfolding, On—right onward for the right. On! let all the soul withip you For the truth's sake go abroad! Strike! let every nerve and snow Tell on ages—tell for God.
